#### ADMINISTRATOR REPORT

From: Matthew Jensen

To: Mayor Hauser & Village Trustees

Date: October 2, 2017

Re: Board Meeting Agenda

The following items will be discussed as part of the Village Administrator's report:

- Birchwood Acres Water Improvements Attached, please find a contract for engineer service's with Chatfield Engineers, PC for water line improvements at Birchwood Acres. Contract amount is \$12,395. Total project (including engineer services) is anticipated to be \$115,000. Proposed motion to approve Mayor Hauser to sign contract contingent upon Village Attorney's review.
- Main Street Improvement Signage Design and pricing for Main Street Streetscape items are being finalized. Items on the list include Historic Main Street signs (x2), Horse Trough plaque, Memorial Park sign, benches (x4), trash receptacles (x2), and cigarette urns (x2). Finalized information will be shared with board members through email before submitting to LaBella.
- Perry Ambulance Update The Town of Perry is reviewing options for ambulance coverage since the Perry Ambulance has been dissolved. Monroe Ambulance currently provides a Basic Life Support (BLS) crew in town for 12 hours a day. This will increase to 16 hours a day on October 8th. When Monroe Ambulance is not on-site, Warsaw Ambulance provides coverage with Mt Morris providing backup within the Village while Silver Springs provides coverage outside of the Village. The Town has contracted with David DiSalvo to help restructure ambulance services. Mr. DiSalvo helped Mt Morris through a restructure effort. The goal is to provide coverage 24 hours a day. The Town is also considering outsourcing ambulance services. The Town is awaiting word from the State Comptroller on scheduling an audit. If the audit reveals wrongdoing, a police investigation will commence.
- Employee Trainings Chief Grover and Marlos Norman attended a training in Rochester on September 19<sup>th</sup>. The training was "Making the Transition from Staff to Supervisor". Training was well received though reported that a more public sector emphasis would be more beneficial.
- Village Administrator Meetings— Meetings were held with the following:
  - o Herbie Carr South Main Street Easement
  - O Town of Arcade WWTF Tour
  - Town of Perry Perry Ambulance Status
  - Laura Stiffler Property Maintenance Issue
  - Clark Patterson Lee WWTF Project
