**SIDEWALK EXPRESS**

The Village of Perry's "Sidewalk Express" program allows property owners to have their sidewalks replaced by Village employees for only the cost of materials.

If you are interested in having your sidewalk replaced, you will need to contact the Village Clerk's office at (585) 237-2216. Office staff will then contact the DPW Superintendent who will measure the area and calculate the cost based on current material costs.

If you would like to move forward with the work, the Sidewalk Express Agreement must be signed and payment must be received in full in the Village Clerk's Office prior to scheduling the work.
