Trustee Lawrence audited vouchers. Trustee Billings made a motion to approve the clerk report and payments in the amount of \$1,106,222.18 which was seconded by Trustee Lapiana and carried with all voting aye.

### **DEPARTMENT REPORTS**

The Board reviewed reports for DPW and Parks. The splash pad will be open by next Friday, May 27<sup>th</sup> for Memorial Day weekend. Comments were made on how nice the park looks. Park Ave. has also seen some improvements with an old fence being replaced.

Reports were reviewed for the Water and Wastewater Treatment Plants. A large project was recently completed at the Water Treatment Plant of replacing the weir boxes. The project went smoothly with the help of WTP employees who worked consistently to make sure there were no issues with the plant being down for 3 days without producing water.

The monthly report for the Police Department was also reviewed with no action needed.

### WYOMING COUNTY WATER RESOURCE AGENCY MEETING - LWRP GRANT

Administrator Pierce spoke about the Wyoming County Water Resource Agency meeting tomorrow morning where the LWRP grant application will be discussed. The county was unsuccessful last year but plans to reapply this year in hopes of getting approved for a study which will put the county in a better position to apply for funds for dredging. The county planner and a grant writer will be involved and four municipalities will plan to split the cost of applying and the 25% match if awarded. The study could lead to opportunities for other things along the outlet. The Village of Perry would like to be involved in the selection process for the study if awarded.

### TRUSTEE REPORTS

Trustee Billings informed the board that the Water Treatment Plant is currently being reviewed since being awarded the WIIA grant. Many factors are being considered to make sure the best

options for upgrades are chosen: work on the water tower could be a bid alternate; the village could be eligible for 0% interest; a rate study is being done by BPD; if considering a \$5 mil project, there could be no increase to the water rates; if a \$7 mil project, there would be a low increase but more upgrades could be done. The condition of the water tower also needs to be considered as it is anticipated that water quality will be affected in 3-5 years if no improvements are made. If water quality is affected it would put the village in a good position for a hardship, but if the median income goes up, the village will no longer qualify for 0% interest.

Clean Sweep is this Saturday, May 21st.

The village is currently looking for a road legal watering vehicle.

Docks for the public beach have been ordered.

Trustee Billings met with Eleanor Jacobs on needs to close out the Silver Lake Trail Project. Memorial Park needs some attention and Rotary has expressed an interest in helping.

Funds were raised for a kayak launch in the outlet but a further study needs to be completed before selecting a location – easy access and algae are a couple of things to consider.

Trustee Lawrence let the board know that the Silver Lake Trail sign committee is nearing conclusion of its meetings. The sign designs are completed. The committee just needs to figure out where and how many signs to place. Once this is done a quote will be taken to the DOT. Trustee Billings added that PMSA received grant funding in the amount of \$11,000 for signage and a bike repair kiosk. A more formal announcement will be made.

Letchworth Cable Access received its first order of equipment to get off to a fresh start. Trustee Lawrence is hopeful that the first program with the new equipment and new Director of Media Production will be of Clean Sweep, an expected 7-12 minute film of interviews and cooperation of individuals and organizations working together to make Perry a nicer place.

### **EXECUTIVE SESSION**

At the conclusion of the regular agenda, Mayor Hauser made a motion to enter executive session at 8:25 pm to discuss proposed, pending, or current litigation and to discuss the employment history of a particular individual. This motion was seconded by Trustee Draper and carried with all voting aye.

### **ADDITIONAL MOTIONS**

Regular session resumed at 9:18 pm. Mayor Hauser made a motion to approve distribution of merit pay for the fiscal year as discussed and agreed upon in executive session. The motion was seconded by Trustee Billings and carried unanimously.

Trustee Lawrence made a motion to reduce the police vehicle fleet from six vehicles to four. Trustee Draper seconded the motion and it was carried with all voting aye.

Trustee Lapiana made a motion to create a full-time police officer position. The motion was amended by Mayor Hauser, per the Board's discussion to work within the constraints of the budget, noting that the anticipated vehicle reduction will result in a savings of \$10,000 per year, reducing the summer rec program subsidy, reducing the Letchworth Cable Access contribution for 3 years to \$19,000 will save \$3-5,000 per year, reducing the future budget of Letchworth Gateway Villages contribution to \$5,000 to save \$3,000 in future years, and savings from retirement of the merit pay program saves \$3-5,000 allowing the Police Department to maintain their night shift and to allow for the creation of a full-time police officer position within the department. Trustee Lapiana seconded this motion by Mayor Hauser.

The department maintains a list of qualified people for a full-time position. Currently one officer has passed the test and is eligible to fill the position. Trustees Lawrence and Lapiana added that this officer is very effective and liked by the community.

Mayor Hauser offered the appointment of Officer Kramell effective June 1<sup>st</sup> of the new budget year at step one of the current union agreement. Trustee Lawrence made a motion to appoint Spencer Kramell as a full-time police officer for the Village of Perry. This motion was seconded by Trustee Lapiana and carried unanimously.

Trustee Lawrence added that he was very happy to have the opportunity to appoint this officer and is thankful for the work done recently by the Village Board and Administrator to listen to concerns and to work through budget constraints to reach a unanimous decision to appoint this individual without increasing the tax burden on citizens.

At 9:25, Trustee Draper made a motion to adjourn which was seconded by Trustee Lapiana and carried.

Respectfully submitted, Christina Slusser, Village Clerk

## VILLAGE-ORGANIZATION EVENT AGREEMENT FORM

Perry New York

This form is intended to create consistent guidelines and gather sufficient information about proposed events requiring coordination from the Village of Perry. It is the intent of the Village Board that taxpayer subsidy - in the form of staff time, overtime, equipment, materials, maintenance and clean-up — of any event on village property should have a measurable public benefit and that the services the village can provide without charge should be commensurate with that public benefit.

For existing events, previous applications may be referenced. Please fill out "Facilities Reservation Request" form.
