### A PROPOSED LOCAL LAW (LL #C of 2024) ENTITLED "AMENDING CHAPTER 490 ("ZONING") TO ADD § 490-15(K) ALLOWING FOR AMORTIZATION OF NONCONFORMING LOTS, STRUCTURES OR USES WITHIN THE C1 DISTRICT'

**BE IT ENACTED** by the Village Board of the Village of Perry as follows:

### SECTION I. AUTHORITY

The Village Board of the Village of Perry enacts this Local Law pursuant to the authority granted it under Article 7 of the Village Law of the State of New York.

#### SECTION II. PURPOSE

The purpose of this law is to amend § 490-15 of the Village of Perry Zoning Code ("Nonconforming lots, uses and structures") to add subsection "K" which shall allow procedures to amortize nonconforming lots, uses and structures within the C-1 District as defined in the Code. The amortization process is intended to allow the Village of Perry to maintain the continuous commercial storefront characteristics of Main Street in the Village of Perry, and to ensure cohesiveness with the Village Comprehensive Plan and the long term planning goals of the Village of Perry.

### SECTION III. ENACTMENT

The Village Board of the Village of Perry hereby amends the Code of the Village of Perry by adding the following subsection to Section 490-15 "Nonconforming lots, uses, and structures":

§490-15(K). Amortization of Nonconforming Lots, Structures, or Uses within the C-1 District.

- A. Amortization of nonconforming lots, uses and structures within the C-1 District. In order to comply with the long-term planning goals and the Village of Perry Zoning Law and Comprehensive Plan, a nonconforming lot, structure or use existing in the C-1 District as defined in this zoning law may be amortized in accordance with any of the following procedures:
  - (1) Termination of timeframe. Except as otherwise provided in New York State Law, the Village Zoning Enforcement Officer (hereinafter the "ZEO") may provide for modification or termination of any type of nonconforming lot, use or structure within the C1 District within a reasonable timeframe as defined herein.
  - a. "Reasonable Timeframe": An amortization timeframe as determined by the ZEO shall be deemed a "reasonable timeframe" for the purposes of this section where such timeframe provides the owner of the nonconforming lot, structure, or use sufficient time to recoup their investments made in the nonconforming portion of the subject property. The reasonable timeframe set forth by the ZEO shall be no less than three (3) years.

- b. Procedure: In providing for such modification or removal, the ZEO shall provide a written notice of the nature of the nonconforming lot, structure, or use to the property owner by first class mail and certified mail, return receipt requested, and such written notice shall provide a reasonable timeframe for the modification or termination of such nonconforming lot, structure, or use. The nonconforming lot, structure, or use shall be modified or terminated, and the property brought into compliance with the Village Zoning Law within the reasonable timeframe provided by the ZEO.
- Appeal: In the event that the property owner disputes either that the nonconforming lot, structure, or use is nonconforming, or that the property owner does not believe the reasonable timeframe provided by the ZEO is "reasonable", the property owner shall have a right to appeal such determination to the Village Zoning Board of Appeals (hereinafter "ZBA"). Such appeal shall be filed with the ZBA within sixty-two (62) days of mailing of the written amortization notice from the ZEO. If an appeal is filed with the ZBA, the ZBA shall hold a public fact-finding hearing into the factual circumstances of the subject property. The property owner shall be provided with notice of the public hearing by both first class and certified mail, return receipt requested, and afforded an opportunity to speak at said hearing. Upon conclusion of the public hearing, within sixty-two (62) days, the ZBA shall make a written determination as to their factual findings and considerations, and state their determination as to what constitutes a reasonable timeframe for modification or termination of the nonconforming lot, structure or use. After such timeframe is established by the ZBA, the nonconforming lot, structure or use shall be modified or terminated in order to comply with the Village Zoning Ordinance and Comprehensive Plan in accordance with the final determination set forth by the ZBA.
- c(i). Public Hearing Determinations: At the public hearing, the ZBA shall make inquiries into the relevant factual circumstances of the subject property to determine both the improvements and investments associated with the modification or termination of the nonconforming lot, structure or use, as well as the reasonable timeframe to allow for the recoupment of the owner's investment in the nonconforming aspect of the lot, structure, or use.
- c(ii). Determining Investments: In determining the investments made to the nonconforming lot, structure or use, the ZBA may consider, in addition to any other factors which it deems relevant, the following: the purchase price of the nonconforming portion of the lot, structure or use; any capital investments or improvements made to the nonconforming portion of the lot, structure or use subsequent to purchase; the appreciation or depreciation of the nonconforming portion of the lot, structure or use subsequent to purchase; the cost to modify or terminate the nonconforming portion of the lot, structure or use, and any other costs or expenses which have been incurred by the property owner. There shall be an affirmative obligation on behalf of the property owner to provide any proof, documentation, or other sufficient verification of any alleged investments, improvements, and expenditures made into the subject property which would warrant an extension or alteration of the reasonable timeframe provided by the ZEO, and the ZBA shall have a right to request any proof, documentation, or other sufficient verification which

it deems necessary in order to make a fully informed decision based on the specific facts and circumstances of the subject property. A failure to provide any such corroborating documentation may be held as an adverse inference against the property owner. See Table 1 of this section for reference.

- c(iii). Determining Recoupment Period: In determining the reasonable timeframe for amortization, the ZEO, or on appeal, the ZBA may consider, in addition to any other factors deemed relevant, the following: capital investments or improvements required to modify or terminate the nonconforming portion of the lot, structure or use; the anticipated timeframe to allow for modification or termination of the nonconforming portion of the lot, structure, or use; the annual gross revenue generated by the subject property; the resale value of the subject property both with and without the nonconforming portion of the lot, structure or use, and any other factors relevant to the property owner's ability to recoup his investments. See Table 2 of this section for reference.
- (2) Transfer of ownership or death. Upon either the transfer of ownership or death of the owner of any nonconforming lot, use or structure, said nonconforming lot, structure or use must be modified or removed in order to comply with the Village zoning ordinance.
- (3) Public nuisance. The Village Board may provide for the termination of a nonconforming lot, use or structure upon determination that the nonconforming lot as a public nuisance. Any nonconforming lot, structure, or use which causes an unreasonable interference with a right common to the general public, including but not limited to conditions which are dangerous to health, offensive to community moral standards, or unlawfully obstructing the public in the free use of public property, may be deemed a public nuisance by the Village Board and subject to termination of its use by any methods deemed necessary by the Village Board in the interest of public safety.

### SECTION IV. SEVERABILITY/VALIDITY

If any part or provision of this local law, or the application thereof, to any person or circumstance be adjudged invalid by any court of competent jurisdiction, such judgment shall be confined in its operation to the part, provision or application directly involved in the controversy in which such judgment shall have been rendered, and shall not affect or impair the validity of the remainder of this local law, or application thereof to other persons or circumstances, and the Village Board of the Village of Perry hereby declares that it would have passed this Local Law or the remainder thereof, had such invalid application or invalid provision been apparent.

#### SECTION V. REPEAL

All ordinances, local laws and parts thereof inconsistent with this local law are hereby repealed.

### SECTION VI. EFFECTIVENESS

This local law shall take effect immediately upon filing in the office of the Secretary of State in accordance with §27 of the Municipal Home Rule Law of the State of New York.
