1. Public Hearing on a Proposed Local Law No. 3 of 2026 Entitled: "Amending Chapter 490 of the Village Code of the Village of Perry to Add a Trailside Camping Special Use."

Tim Cipolla, Planning Board member and resident, stated that he has worked on the camping law for about three years with the Planning Board. Tim was attending just to observe and see if there were any comments.

2. Public Hearing on a Proposed Franchise Agreement with Spectrum Northeast, LLC

The hearings were left open to allow for comments and later closed at 7:50 pm upon motion by Mayor Hauser to close public hearings 1 and 2 which was seconded by Trustee Muolo and carried with all voting aye.

PRESENTATION

Mr. Jeff Boorsma from MRB Group presented to the Village Board regarding the Water Treatment Plant. We had previously spoken about a January timeframe for sending out. They ran into problems with developing a plan to keep the plant operational throughout construction and how to keep the pump working while constructing a new pump station. That took longer than they had

hoped. We are currently waiting for agency review and that could take 1-3 months. Once it's back from agency review, we are ready to go out to bid. The new location for the pump station will be on the roadway side, and the quantities of materials will not change, so ideally, the estimate should not change. Mayor Hauser asked what an expected time of completion once it's bid. Mr. Boorsma stated it could be 12-18 months.

Mr. Boorsma also shared that we are currently working on the WWTP evaluation outfall project and had a kickoff meeting with EFC. MRB Group has been reviewing data and figuring out a time to start field evaluations.
